'This Is' Ours

People vote NBC drama, Bieber and 'Fast Saga' among year's best

By Rachel Jones
TV Media

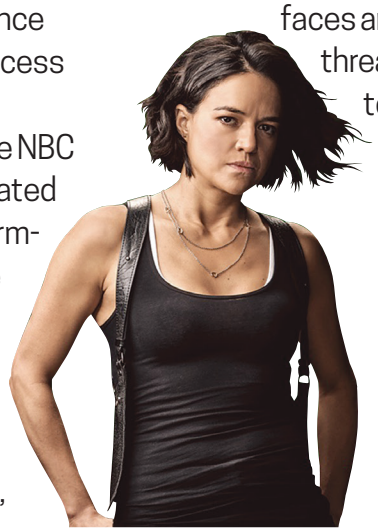
The power is in the hands of the people once more as fans and stars alike celebrate the best in music, film and TV with the 47th annual People's Choice Awards, airing Tuesday, Dec. 7, on NBC and E! For audiences, it will be another star-studded night, complete with bowls of popcorn and wardrobe critique. For celebrities and icons, it's another chance to dress up and celebrate everyone's success this year.

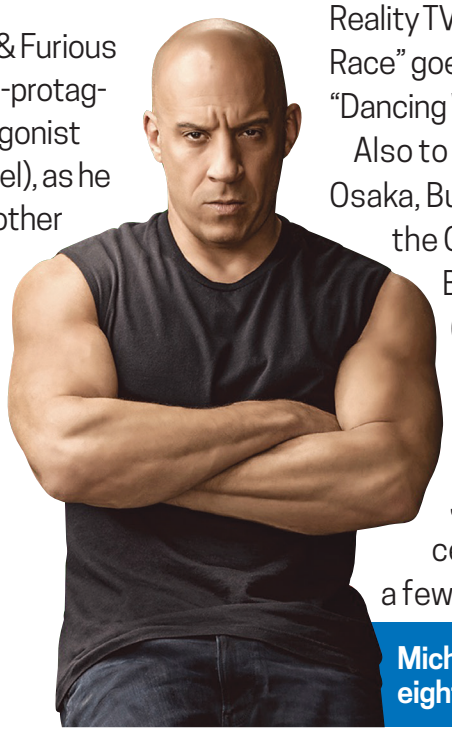
At the top of the nomination board is the NBC drama "This Is Us," which has built a dedicated following over five seasons. The heartwarming series created by Dan Fogelman ("Life Itself," 2018) follows a set of triplets and their parents as they navigate life struggles. "A Walk to Remember's" (2002) Mandy Moore and "Gilmore Girls'" Milo Ventimiglia are among the cast members, as are Chrissy Metz ("Breakthrough," 2019), Justin Hartley ("Injustice," 2021) and Sterling K. Brown ("Black Panther," 2018).

But it isn't all emotional family drama this year; "F9: The Fast Saga" is getting a lot of love, too!

There's no shortage of Vin Diesel ("Guardians of the Galaxy," 2014) in our lifetime, and he, Michelle Rodriguez ("Lost") and the cast of "F9" are off to the races at this year's ceremony.

"F9" follows the Fast & Furious franchise's sometimes-protagonist, sometimes-antagonist lead, Dom Toretto (Diesel), as he faces another threat to his off-the-grid peace. He must face his past and fight off a global threat, though, of course, not without the help of his crew.





Michelle Rodriguez and Vin Diesel star in eight-time nominee "F9: The Fast Saga"

If the diversity of the two highest nominated productions weren't enough of an indication, the People's Choice categories are known to showcase a wide array of media and performance. On the music side, Latinx stars Becky G, J Balvin and Daddy Yankee compete against the likes of Justin Bieber and Adele, while in Reality TV land, Symone from "RuPaul's Drag Race" goes head-to-head with JoJo Siwa from "Dancing With the Stars."

Also to keep an eye on are athletes Naomi Osaka, Bubba Wallace and Simone Biles in the Game Changer category, and Bo Burnham ("Inside") and Ali Wong ("Birds of Prey," 2020) for Comedy Act of 2021.

Social Star nominees include none other than pop culture icons Justin Bieber, Lil Nas X and the recently "free" Britney Spears, to name a few.

There can't be a Next Generation without the original one.

Whether you like the stories, the features, the columns, the savings, the comics...or just the feel of a newspaper in your hand, There's always the original — the Honolulu Star-Advertiser.

Into 'The Expanse'

Mission No. 6 underway on Prime

WHAT'S NEW ON PRIME

"The Expanse" - Season 6

The mission continues with the Season 6 premiere of "The Expanse," available to stream on Prime beginning Friday, Dec. 10, with episodes airing weekly on Fridays thereafter. Based on the series of novels of the same name by James S.A. Corey (the joint pen name of authors Daniel Abraham and Ty Franck), this sci-fi epic follows the story of humanity hundreds of years into the future, when humans have colonized the solar system. With a fragile balance held between the colonies and war always too close for anyone's comfort, James Holden (Steven Strait, "The Covenant," 2006), Naomi Nagata (Dominique Tipper, "Fantastic Beasts and Where to Find Them," 2016), Amos Burton (Wes Chatham, "The Hunger Games: Mockingjay - Part 1," 2014) and their friends are ready to join the fight for the solar system against new and unexpected enemies. From series creators and writers Abraham, Franck and Mark Fergus ("Iron Man," 2008), this six-episode season is directed by Breck Eisner ("The Crazies," 2010). Shohreh Aghdashloo ("House of Sand and Fog," 2003), Frankie Adams ("Mortal Engines," 2018), Cara Gee ("Empire of Dirt," 2013), Nadine Nicole ("Casual"), Keon Alexander ("Tyrant"), Jasai Chase Owens ("Loserville," 2016), Samer Salem ("The Handmaid's Tale") and Vanessa Smythe ("Mrs. America") return to star in the series.

WHAT'S NEW ON NETFLIX

"The Unforgivable" (2021)

Don't miss the gritty new drama "Unforgivable" when it lands on Netflix this Friday, Dec. 10. Based on the British miniseries "Unforgiven," written by Sally Wainwright, the film stars Sandra Bullock ("Miss Congeniality," 2000) as Ruth Slater, a woman recently released from prison after committing a violent crime. The story follows Slater as she attempts to reenter society, a task made all the more difficult by an angry public that refuses to forgive her for her past. Learning to live with her damning history, Ruth goes on a journey to track down the sister she was forced to leave behind. Executive produced by Wainwright, "The Unforgivable" is directed by Nora Fingscheidt ("System Crasher," 2019) and features a screenplay by Peter Craig ("The Hunger Games: Mockingjay - Part 1," 2014), Hillary Seitz ("Insomnia," 2002) and Courtenay Miles ("Mindhunter"). The film also stars Jon Bernthal ("The Wolf of Wall Street," 2013), Vincent D'Onofrio ("Men in Black," 1997), Aisling Franciosi ("The Nightingale," 2018), Viola Davis ("How to Get Away With Murder"), Richard Thomas ("The Waltons"), Linda Emond ("Lodge 49"), W.
